Experience

● **Freelance Designer**   May, 2020 - Present

Fiverr

After being rescinded from a research internship at SUTD, Singapore, I am now working as a part time freelancer on Fiverr.

● **Undergraduate Researcher**   Aug, 2019 - Present

Melange Lab, IIITD

I am working with Dr. Pushpendra Singh in the area of consistent user defined gesture set for smartphone interaction using workshop methodology.

● **Undergraduate Reseacher**   Aug, 2019 - Dec, 2019

MIDAS Lab, IIITD

Under the guidance of Dr. Rajiv Ratn Shah I was working in area of Mobile Computing on android based application named HungerDeal

● **UX Design Intern**   May, 2019 - Jul, 2019

HRBot, Gurugram

This internship was a great learning experience and exposure for me as I got to work in an active startup environment and contribute to major UX & design decisions of the company

● **Summer Intern**   Jun, 2018 - Jul, 2018

PSPL Advertising, Indore

I learned about advertising media, marketing and design teams. Further, I also worked in the sister company i-engage which handles online advertising for its clients.
