ABOUT

A multidisciplinary designer, who loves to dive into projects. An amalgamation of my interests; design, technology and entrepreneurship, has inclined me towards UX design. I am currently seeking out new opportunities to broaden my skillset and gain exposure.

EXPERIENCE

Product Design Intern | FamPay
Dec 2020 - Present

Understanding the behaviour of the target audience, company goals and working on multiple projects to enhance the application accordingly.

Intern | Coca-Cola
Jun 2020 - Jul 2020

Streamlining the process of sharing data between the company and their customers.

UG Researcher | Living Lab
Jun 2020 - Present | livinglab.iiitd.edu.in

Led by Dr. Grace Eden, the lab explores the inter-relationships between people, society & technology.

UX Design | Institute for Social Democracy
Aug 2019 - Oct 2020 | isd.net.in

Helped the organization to spread awareness about 'Composite Heritage' amongst people effeciently.

PROJECTS

Sahayak
Jan 2020 - Apr 2020

I, along with my team, created a system to assist the eldery with their social and physical well-being. The research has been accepted in IndiaHCI 2020.
